INSURANCE

Protect your future

No one knows what tomorrow will bring, so it's important to actively protect your investments and safeguard your future with insurance, just in case. Because there are as many different insurance solutions as there are people, there are many options and types of policies for you to choose from. The Insurance Division is here to help you make the best choices for you and your family, for today and for tomorrow.

Security and reliability

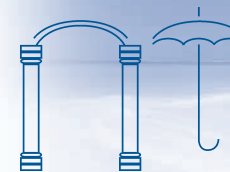

We offer you the security and reliability that comes with our combined strength and knowledge to provide you the best protection. Call us for competitive and responsive insurance solutions tailored to all aspects of your life and business.

As an agent for the most prestigious insurance companies established on Aruba, we have the expertise and flexibility to custom design the best service and coverage in insurance packages perfectly suited to all your needs. We represent the following trusted global companies:

- **Royal & Sun Alliance**
- **ING Fatum**
- **ENNIA**
- **The New India Assurance Co.**
- **American Home**
- **National Life of Canada**
- **ALICO**

International coverage

Caribbean Mercantile Bank N.V. is also an official affiliate of Marsh, the world's leading insurance broker, in order to offer you the reach and scope of international contacts.

Offering the best options

Our years of experience in insurance assure that we can easily attend to your individual needs as well as those of large companies. Ask us about how car, student, property, life, accident, travel, supplementary medical and collective insurance can benefit you.
